Gold Equipment Protection

At RPM Hire, we understand that anything can happen. That's why we offer our unique industry-leading Gold Equipment Protection, providing you with full coverage for theft, damage and graffiti.

ENHANCED SIMPLICITY

Our straightforward, affordable, and hassle-free Gold Equipment Protection eliminates the complexities and burdens of waiver fees.

COMPREHENSIVE PROTECTION

Gain comprehensive coverage against theft, vandalism, incidental damage, collisions, and natural disasters, ensuring you are fully protected in every aspect.

WORRY-FREE PROJECT MANAGEMENT

Alleviating the financial burdens and uncertainties tied to potential damages, we empower you to prioritise the successful completion of your project.

The Gold Equipment Protection covers the “lesse” for any damage or theft to the equipment. Terms and conditions apply.
