RPM HIRE™

GOLD EQUIPMENT PROTECTION
RPM's Damage Waiver

TAKE THE RISK OUT OF YOUR NEXT HIRE.

RPM Hire's industry-leading damage waiver. Theft, damage, collisions and natural disasters covered, plus the wheels and batteries most hire waivers leave out.

WHEELS, BATTERIES & MORE COVERED.

Most damage waivers only cover the bare minimum and leave you paying a premium without any coverage. RPM's Gold Equipment Protection changes that.

VANDALISM

ACCIDENTAL DAMAGE
The unplanned knocks that happen on busy sites.

COLLISIONS
Repair or replacement after a vehicle impact.

NATURAL DISASTERS
Events outside anyone's control.

WHEELS AND BATTERIES
Included as standard. Most waivers exclude them.
